

## One Admin

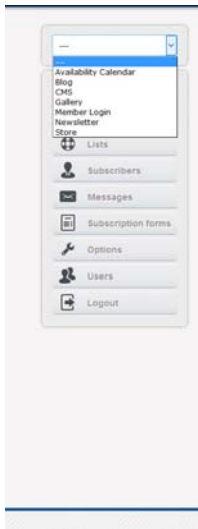

Login to one of your administration pages.

After logging in, you will see a dropdown box appear above the menu on the left of the page.

You can select the administration page you wish to work on by choosing it from the list available.

This will then take you to the required page, you may be asked to login again, but will eventually be allowed to move between your admin pages without having to remember the page address or passwords.

If you are having problems with the system, or require an admin page added to the list, please contact us at: [contact@sortitweb.co.nz](mailto:contact@sortitweb.co.nz).
